   b. Attendance for June was 3,999.
   c. Circulation for FY22 was 77,586, up 29,303 from FY21. FY19 Circulation, before the Pandemic, was 80,042. Attendance for FY22 was 39,304, up 11,798 from last year.
   d. Charlie developed an Infographic to highlight the significant numbers for the year. It was presented at the meeting, and it will be on the website and made into a poster for the hallway.
   e. Ms. Swift Johnson stated that there is currently $941.30 left in the FY22 budget. There are still several encumbered bills to be paid. She has also spoken to the Town Accountant to see
if she can use the few hundred dollars left to help cover the cost of the valve so that the Trustees won’t have to pay the entire ATCO bill from state aid.

2. Building Update
   a. The heat has been changed over to AC. ATCO also performed preventative maintenance while they were working on the switchover. It was discovered that the chiller that creates AC for the Trustee’s Room and Ms. Swift Johnson’s offices is no longer working correctly. Ms. Swift Johnson is also negotiating to lower the valve bill because it does not accurately reflect the work performed.
   b. Ms. Swift Johnson said a contract was signed with ENE for HVAC services. She already contacted them about repairs, including the broken chiller.

3. Updates -
   a. Ms. Swift Johnson reminded the Trustees that the Library’s material budget will now cover the cost of Museum Passes instead of using funds from the Friends. The price will be about $7,500 - $8,000.
   b. As recorded in the FY22 ARIS, the population of Middleton is now 9,779. If the population is over 10,000, 16% of the budget must be approved for books and materials. If the population is below 10,000, the percentage increases to 19%. Ms. Swift Johnson stated that the library is required to be open at least 25 hours each week, and it is currently open more than twice the required number of hours. For that reason, she will be submitting a flexibility waiver to get the percentage spent on materials reduced.
   c. Ms. Swift Johnson asked for a review of her contract, considering the population remains under 10,000 for FY23. She stated that she would not stop working toward an MLIS. Ms. Bambury, as chair, will be reaching out to Ms. Bresnahan to find out what steps should be taken.

   c. Ms. Bresnahan will be at the next meeting to review the process to be taken by the Trustees for Ms. Swift Johnson’s six-month review.
