Subject: Re: Melissa's retirement from the BOT

To: George Cumming

Hi George:

Thank you for contributing.

I really didn't want to be the chair, but the alternative would be a disaster. I am discussing it with Melissa. She said that Erin Bennett was willing, but unfortunately there is no guarantee she will be elected. So more than likely I will.

Hi,

I'll give you some money towards a gift certificate.

Are you going to run for chairperson of the board?

Hello all:

As you know, Melissa Stankus's last meeting will be May 9th. I spoke to Loretta about giving her a send off party for her 12 plus years of dedication to the Flint as a trustee and prior to that as a strong supporter of the library. Loretta suggested that we could have a small party after the meeting on May 9th. I was hoping to give her a gift certificate so if anyone is interested in contributing, please let me know. My thoughts were to make a dessert of some sort and have beverages. Again, if anyone has suggestions or wishes to bring something to contribute, let me know.

I also think it might be appropriate to invite Melissa Gaspar and Shirley Raynard to this get together. Any thoughts on this??? or anyone else to invite? Maybe Gretchen??

Please get back to me on this as soon as possible.

Thanks so much.

Donna
