

LIBRARY CLOSING POLICY

When **SNOW** causes school to be canceled, the Flint Public Library will open by **NOON IF** the walkways and parking lots have been cleared.

If a storm or other emergency develops while the Library is open, the Director – or in the absence of the Director, the senior staff member on duty – may decide to close the Library.

IT IS STRONGLY RECOMMENDED THAT PATRONS CALL THE LIBRARY IN INCLEMENT WEATHER TO VERIFY THAT THE LIBRARY IS OPEN.
