E. Trustees’ Report

1. The Trustees reviewed Policy #14, Selection Development Policy and Policy #15 Request for reconsideration of library materials. There was a lengthy discussion on these policies. It was noted that all policies are reviewed on a regular basis and it takes 5-6 years to completely review all of them. Ms. Stankus spent some time explaining the two policies and Ms. Gaspar stated that Policy #14 was one of two policies that all libraries in Massachusetts are required to have in place.

The second area of discussion covered the fact the Trustees have the final say on requests for reconsideration. This would happen if a patron did not accept Ms. Gaspar’s decision. Ms. Gaspar stated that during her tenure, there hasn’t been an issue at the Flint but there have been requests at other libraries, as well as at the Flint before Ms. Gaspar became the director.

The third area discussed was whether the library ever stopped someone from checking out age inappropriate materials. Ms. Gaspar stated that no one is stopped from checking out any materials. She also said that many books and materials have a sticker that indicates that it is inappropriate for under 14, and that she believes parental guidance should be the ultimate rule as to what is acceptable for their child to read.

Finally, there was a discussion on whether the two policies should remain separate or be combined as Policy #15 is just the form that goes with Policy #14. The Trustees asked Ms. Gaspar what she preferred and it was determined that the policies be combined. Ms. Stankus asked for a motion to approve Policy #14 by including Policy #15 into the scope of Policy #14 and eliminating Policy #15 as a separate policy. Mr. Cumming made the motion. Ms. Bambury seconded the motion and all were in favor.

2. Ms. Gaspar, Ms. Stankus and Mr. Cumming attended the Board of Library Commissioners training program for Trustees. Mr. Cumming stated that it was a very worthwhile program with a lot of information and he felt it was very helpful for new Trustees.

F. Treasurer’s Report

1. Mr. Cumming had sent out the Treasurer’s Report to the Trustees. He quickly reviewed the report and indicated that there were only minor changes.

2. Mr. Cumming discussed his search for the best location for the Emerson Fund CD that was coming due. Under the current uncertain circumstances and the very low interest rates, he believed it would be best to put the Emerson Funds into a CD for just 6 months with a .449% interest rate. Ms. Stankus made a motion to follow Mr. Cumming’s recommendation and put the Emerson Funds into the six month CD. Ms. Moreschi seconded the motion and all were in favor.

3. Mr. Cumming stated that if rates rise during the six-month period of the CD he will have one opportunity to bump up to the higher rate. He also said he should get the paperwork tomorrow and will put the money into the six-month CD.

4. Mr. Cumming stated that he is getting all statements online. Ms. Gaspar is getting the paper copies of the statements at the library and will make arrangements to get them to Mr. Cumming.

5. Ms. Gaspar told the Trustees that the library had purchased three books for the Library of America series. The cost was $55.52 and needed to be paid from the Malone Fund. She will get the bill to Mr. Cumming who can pay the bill with a check from the Malone Fund.
6. Ms. Wilton suggested that Ms. Gaspar give Mr. Cumming official library stationery and envelopes. Ms. Gaspar said she would also include postage stamps.

G. Director's Report

1. Circulation Report - Ms. Gaspar sent the Trustees a copy of the Circulation Report. She stated that circulation is approximately 1/2 of last year’s figures but under the safety steps that are in place, it is totally understandable. She stated that circulation used to be 1/3 but is now on the uptick and that people seem pleased with the hours for curbside pickup. In addition, Ebooks have seen an increase over last year’s numbers as well. Ms. Gaspar stated that she would send the Trustees a copy of the ARIS and Financial Reports. She also stated that she was now aware as to which programs would be counted in the formula for State Aid. They include live programs (Zoom, Facebook), posted programs and pre-recorded programs. However, she believes that programs that don’t meet the standards for the formula are still important community outreach and should continue to be offered. Ms. Gaspar also told the Trustees that the staff is getting a lot of positive feedback. Mr. Cumming asked about the wireless access numbers. It was explained that data was a combination of the computers set up in the conference room and those patrons who come to the parking lot and access the library wireless from there. Ms. Gaspar indicated that if laptops or phones have logged onto the WiFi then it will automatically be able to log into the system. Ms. Gaspar said that she is very happy with the amount of computer use and hopes to increase that figure after advertising next month. Finally, there was a discussion on the hours for curbside pickup. Ms. Gaspar planned to increase hours after the completion of early voting and the hiring and training of new staff. It was noted that new safety processes, protocols and procedures are adding much more work for staff.

2. Budget - Ms. Gaspar indicated that the budget is well within limits. Greatest savings are in copier paper and office supplies. Cleaning supplies are very important and Ms. Gaspar notes that the Town will cover the cost of sanitizing the areas used for Early Voting. Trustees were concerned what would happen if the budget was not spent down. Ms. Gaspar believes that many departments will return money at the end of the year and she hopes that those funds will be available for FY22 and FY23 when budgets will probably be much tighter.

3. Programs - Ms. Gaspar sent the Trustees a list of the programs from last month. She noted the variety of programs, the number and breakdown of programs, and participation. She spoke about several groups including Cooking with Kelly, and the Gratitude Group.

4. Building - Ms. Gaspar said that the HVAC was changed over and the duct work was looked at. The custodians cleaned the ducts as much as possible. There is also a roof leak over the DVD/CD section. The area has been covered with plastic and she hopes it will be repaired as soon as possible.

4. Staff Changes - Ms. Gaspar had notified the Trustees that Ms. Kelly Potter would be leaving to move to Arizona. Before she leaves she will complete several more Cooking with Kelly programs for future broadcast. Ms. Gaspar also said that she has hired Mr. Russell Grossman for the Circulation Desk. He has ten years of experience at the Peabody Public Library. This is the second time he applied for a position at the Flint. Ms. Gaspar believes he will be an excellent addition to
the team. He had a part time position in Peabody and will now be full time with benefits. He will be starting work on Thursday.
